

May 2021

Interim President's Message

Greetings CTEI Members:

"It was the best of times, it was the worst of times..." When Dickens said this in 1859 he could have been thinking of our present situation. For the 'best', I look forward to the bright and innovative plans for future REACH conferences that the Division of CTE has proposed - three events in the three geographic regions of the state so that all 2400+ CTE professionals in Idaho can meet to network together. But, for the 'worse', it will not happen until the summer of 2022 because we are still under the threat of Covid-19. Still, we have something to look forward to in the future, and I have always been concerned about the 2/3s of CTE professionals who never seem to be able to make it to the Treasure Valley for REACH. So I hope for the 'best' and wish the Division success as they embark on this new format.

Your CTEI Board will meet in June 2021, in a hybrid (some online, some face-to-face) meeting in Twin Falls to plan the FY2022 budget and schedule next year's events. If you have input you want considered, please send it through your Association representative to the Board (IAA, IATA, ITTA, IFCS, IBEA, IHPEA, TEAI, ICGA, IOTA). As part of Board member training at this meeting, Marshall Bautista, the Board's webmaster, will provide training on Association membership management using the WildApricot website.

Even though we will not gather in August to celebrate CTE in Idaho, CTEI is still sponsoring CTEI awards for deserving CTE professionals. If you know of someone who is doing a superb job in CTE, please contact Deb Guinn, our award chair, at Dguinn@kunaschools.org and she can help you with the application. Just because we are not meeting in August does not mean our outstanding CTE professionals should not be recognized.

Do not forget to renew your CTEI membership this summer (you renew on the CTEI website <https://cteidah.org/Sys/MembershipRenewal>) since we will not see you at REACH). CTEI needs you. Please stay well.

Thank you for all that you do for CTE students in Idaho.

Harold

Elections

Each year a new President-Elect is voted in by the CTEI members. The President-Elect is part of the CTEI Executive Board and progresses through the positions of President-Elect, President, and Past-President.

This year, expect to see an electronic ballot...

From CTEI's bylaws:

Election of Officers – Eligibility

1. The Officers of CTEI shall be elected from the affiliated members of the Association.
2. The CTEI President-elect shall have been an active member of the Career and Technical Educators of Idaho and her/his division at least three years prior to nomination.
3. The CTEI President and President-elect shall not be eligible to succeed himself/herself in the same office for more than one term. A term is one year.
4. The CTEI President, President-elect or immediate past president shall not be from the same division.

Duties of Officers: Section B

The President-elect shall:

1. Preside in the absence of the President and fulfill the duties of the President. In the event of a permanent absence, the President-elect shall become President of Career and Technical Educators of Idaho.
2. Serve as a resource person and assist the President in carrying out the responsibilities.
3. Chair the By-laws Committee.

Please send a letter of interest or nomination suggestion to [Mindy Pals](#), our Past-President, if you are interested in or know of someone else who would be able to fill this important position.

Any questions can be directed to any of our presidential leaders, [Harold Nevill](#), board president, [Travis Edwards](#), president-elect or [Mindy Pals](#), past-president.

Open Board Positions

Open Board Positions

Awards and Recognition Chair

Public Relations Chair

Hello, CTEI Members,

As we prepare to close out one school year and look forward to a better, more normal school year ahead, CTEI, your professional association for career education in Idaho, is continuing to work at supporting your needs as professional CTE educators.

A board of volunteers run the business of CTEI; some are elected and some are appointed. We are reaching out to invite you to consider a position on the board. At this time two board positions are open: (1) **Awards and Recognition Chair** and (2) **Public Relations Chair**. These positions are not elected positions, but are appointed by the president with approval of the executive committee. Terms are usually one year but can be renewed. Usually the individuals filling these roles stay with them for a few years because they learn the position as they go and they enjoy serving in these capacities.

From CTEI's bylaws:

Section I

The Awards and Recognition Chair may be appointed by the President with the approval of the Executive Committee and shall:

1. Oversee the marketing, application processing, and awarding of CTEI annual awards.
2. Prepare and present a report at scheduled Board meetings as requested by the President.
3. The Awards and Recognition Chair reports to the President.

...

Section J

The Public Relations Chair may be appointed by the President with the approval of the Executive Committee and shall:

1. Oversee the maintenance and operation of the CTEI website.*
2. Publish the monthly CTEI newsletter.
3. Prepare and present a report at scheduled Board meetings as requested by the President.
4. The Public Relations Chair reports to the President.

[Added * -- We now have a separate member volunteer who is performing website maintenance and content updates. This individual will continue to support the Public Relations Chair in this capacity.](#)

The CTEI board meets annually in June for a planning session, meets again during the summer conference, and then monthly for a one-hour call during the school year. Our purpose is to represent the interests of all Idaho career technical education programs, teachers, and administrators. We invite you to consider joining the ranks of educators who have stepped up to a leadership role in CTEI to continue our mission and support the work of CTE in Idaho.

Please send a letter of interest to [Mindv Pals](#), our Past-President, if you are

interested in any of the open board positions.

Any questions can be directed to any of our presidential leaders, [Harold Nevill](#), board president, [Travis Edwards](#), president-elect or Mindy Pals, past-president.

Sincerely,

CAREER TECHNICAL EDUCATORS OF IDAHO
<http://cteidaho.org>

Each spring Career & Technical Educators of Idaho (CTEI) conducts a statewide search for excellence in CTE to highlight outstanding educators as part of our annual awards program. Nominations are accepted from all divisions, positions and content areas for the following awards:

- Secondary Teacher of the Year
- Postsecondary Teacher of the Year
- New Teacher of the Year
- Teacher Educator of the Year
- Administrator of the Year
- Career Guidance Award
- Carl Perkins Community Service Award
- Lifetime Achievement Award

Award winners will have their nominations forwarded on to be considered for the ACTE Region V Awards.

If you know of someone who is doing a superb job in CTE, please go to the Awards page (<https://cteidaho.org/CTEI-Teaching-Excellence-Awards>), download and complete the nomination form, and send it to Deb Guinn (Dguinn@kunaschools.org), our Award Chair. She can also help you with the application, if you've got questions or having problems.

Harold Nevill

Check Out The CTEI Website

Please take a few moments to log into the CTEIdaho.org website and update your membership information. There are LOTS of exciting activities being planned for 2021/2022 and you won't want to miss any of them.

REACH Tech Expo

We've missed them!

With REACH not being held again this year, here is a listing of the vendors and organizations that have supported us at the Tech Expo and that you would have seen there.

It should go without saying (but we have to) that this does not represent an endorsement by CTEI of these organizations.

Best Regards,
Tech Expo Coordinator
