

President's Message

We've almost made it to the end of the school year! Finish strong! May your summer be rejuvenating. I hope to see you at CONNECT!

Travis Edwards
CTEI President

Board Member Spotlight

Name: Harold Anderson Nevill, Ph.D.

School/Position: Former Superintendent. Canvon-Owvhee School Service

Agency (COSSA), now retired

CTEI Board Position: Past-President

What do you do as part of your CTEI position: I seek qualified/interested individuals to serve on the statewide CTEI Board of Directors. I am currently focused on finding the next CTEI Board President-Elect.

What is your life's greatest achievement: Aside from my children and grandchildren's success in life, I believe my greatest achievement to-date was being selected to receive the CTEI lifetime achievement award.

Tell me about a challenge and how you overcome it: Before becoming an educator, I spent 21 years on active duty with the U.S. Navy, making very arduous and dangerous submarine deployments around the world. I dealt with and overcame the stress on my family, my shipmates, and myself by leading by example and letting good people do their jobs. I believe that there is only one leadership style that works, and that is leading by example. I believe in putting good people into jobs, and then letting them do their job. I continued to use these two principles during my 25 years in education, and they served me as well in education as they did while I was in the military.

Hobbies: Reading, taking college classes in subjects I want to learn more about, and serving on several Boards and Foundations. I have the time to do these as I do not watch television since I believe it is a huge time-waster.

If you could be a movie star/professional sports athlete, who would it be and why: Not a one! I despise and eschew the Hollywood and professional athlete models of celebrity. I decry the lack of social responsibility shown by celebrities and professional athletes and I believe both types of celebrity are highly overpaid for their value to society. They certainly do not make good role models, and I despair when I hear our youth say how much they want to be like some movie star or professional athlete. I much prefer to honor and associate with individuals who serve their community without seeking fame, and who consistently improve their community without huge monetary compensation – such as teachers.

If you could go to dinner with an historical figure, who would it be and why: Nelson Mandela. I would like to learn how he forgave the bigots who oppressed him and put him into jail, and how he learned to work with the opposition, as he became the leader of his nation. Surely, there are lessons in his methods of compromise and gentle persuasion that we can learn and apply in our polarized America.

Committees

Interested in getting more involved with CTEI? We're always looking for people to join one of our standing or ad hoc committees. Contact your association leadership or one of the current Board.

Call for CTEI President-Elect 2022/2023

Greetings Idaho CTE professionals:

Are you looking for an opportunity to serve your fellow CTE professionals in Idaho, or to expand your resume with a nationally recognized leadership role? The Career Technical Educators of Idaho (CTEI) are looking for a motivated CTE leader to become next year's CTEI Board President-Elect.

Service as CTEI Board President-Elect is a three-year commitment to serve, as the President-Elect first learns the job during a year as President-Elect, then becomes the President, and then the Past-President, over an additional two-years. Consider it intensive on-the-job training, but with many other CTE professionals by your side to help you learn. As an added incentive, there are some paid travel opportunities with this role.

Many of the Idaho CTE professionals you view as "living legends" started their statewide leadership service as the CTEI Board's President-Elect. You can join that exclusive club. It is always exciting and rewarding to serve at the top of a great organization like CTEI, and you should give it some consideration. Just let me or any CTEI Board member know by email if you are interested or have any questions.

Thank you. Harold Nevill, Ph.D., CTEI Past-President

CONNECT Corner

Registration is open for IDCTE's annual professional development conference CONNECT. You can make your choice based on location, date, content, or even attend more than one.

Professional Development

Business Educator Exchange

An in-person, two-day seminar for educators

June 28-29 on the NNU Campus in Nampa

Educators will learn about the economic outlook and education pathways for skilled trades in Idaho. One afternoon includes **Try-a-Trade** where participants experience hands-on activities in the skilled trades. The second day is full of field trips to local employers.

Continental breakfast and a box lunch is included each day, along with all transportation for field trips, and participants earn one PD credit.

The [\\$10 Teacher Appreciation Discount](#) can apply to this course!

Positive Outcomes from NYC's P-TECH Model

The New York City (NYC) P-TECH grades 9-14 high school model prepares students to earn a high school diploma, associate degree, and related work-based learning over a six-year time frame. The model involves a strong partnership between the NYC Department of Education, the City University of New York, and employer partners. The schools prepare students for both college and careers in STEM fields.

Check Out The CTEI Website

Please take a few moments to log into the CTEIdaho.org website and update your membership information. There are LOTS of exciting activities being planned for 2022 and you won't want to miss any of them.

The screenshot shows the CTEI website homepage. At the top left is the CTEI logo, which consists of a green outline of the state of Idaho with the letters 'CTEI' in bold black text. To the right of the logo is the text 'CAREER TECHNICAL EDUCATORS OF IDAHO' in bold black capital letters. Below this is the tagline 'Serving Career Technical Educators by promoting opportunities for continual personal and professional growth.' in a smaller, italicized font. A green navigation bar contains the following menu items: HOME, BOARD, ASSOCIATIONS, AWARDS, MEMBER BENEFITS, and ABOUT US. The main content area has a light beige background and features a large portrait of Ben Hamlett on the left. To the right of the portrait, the text reads: 'Congratulations Ben Hamlett', 'ACTE Region V', '2021 Post-Secondary Teacher of the Year', 'Trade and Industry Department', and 'College of Southern Idaho'. Below the main content area is a row of five small circular icons, with the second one from the left being filled. At the bottom of the page, there are four icons with corresponding text: a legislative building icon for 'LEGISLATIVE UPDATES', a document icon for 'GRANT APPLICATION', a newsletter icon for 'NEWSLETTER ARCHIVE', and a person icon with a plus sign for 'NOT A MEMBER? JOIN TODAY!'.
